

Water Canyon High School

Community Council Mtg. Agenda

Monday, Dec 12, 2022

9:15

WCHS Utah Tech Room

1. Welcome and Introductions

Steve introduced the new people and discussed the creation of a new group for the high school only. We will finish the current school plan (connected to elementary school - but financial plans are different) then we will have two different Councils starting next year (next meeting only for HS). Requested more names of people for potential HS Council.

In Attendance: Heber Horsley, Theil Cooke, Launa Williams, Steve Showalter

2. Action/Discussion Items

1. Current Plan Spending

All funds used for technology and University of Utah Reading program. Some PD covered by district, so we may have roll-over or need to allocate funding other places. Any suggestions? Parents did not have additional areas to spend so funding will remain allocated where it is.

2. Funding Discussion for 23/24 Plan

Future School Allocation (plus estimated roll-over) ~\$29,000

What areas would you like to spend money on and come with ideas to next meeting.

3. Upcoming Events - Break

4. Public Comments

5. Schedule Future Meetings

Future meeting for HS CC on February 23rd, 2023

6. Adjourn

Motion to adjourn by Heber Horsley , seconded by Theil Cooke
