Action/Discussion Items

1. Current Plan Spending

\$4,800 for PD - Spent on Professional Development for teachers

\$3,537 for Tech and ~\$18,000 planned for Chromebooks (purchase in April/May)

2. Funding Discussion for 24/25 Plan

Approximately \$33,086 to spend - This is to be academically based

Ideas from the Council

- a. Focus on our Spanish program - Build it up. We are currently offering Spanish to 8th graders as high school credit. Will continue to do so.
- b. Honors Classes - Idea of splitting our honor math classes into two sections.

Chromebooks cost - ~\$16,000 (remainder of funds)

- a. Seniors will be able to keep their chromebooks and add chromebooks for incoming 7th graders. This will include any replacement costs.

Teacher Extra Periods - Class Size Reduction \$20,479

- a. Reducing the class sizes in our language arts & math classes have benefitted students.

*The Council voted on the 24/25 plan for the chromebook cost and extra periods taught by teachers. Included in this vote were: Heber Horsley, Sherin Holm, Tadi West, Lisa Oliverio, Steve Showalter, and Kristen Swindlehurts. Tadi West motioned to accept the plan and Heber Horsley seconded the motion.

3. NESS Funding - Legislature

- a. Necessarily Existent Small Schools (NESS) - assists school districts in operating schools in remote areas of the State with low student populations.
